Sunday 09 June '19 First Pentecost

Only for registered participants: At 10:00 gathering at the meeting point (will be announced on Saturday evening) and from 10:30 departure for a roadtrip through the beautiful Eifel, with small mountain roads. A roadbook is provided for the trip. We want to reduce the size of the large group and split this in smaller groups, to prevent us from queuing, so we can enjoy driving the mountain roads. You are free to stop on the way to take pictures or make short breaks. This way we also spread the group around lunchtime. For the trip, each one gets a Rally shield per car, (included in the participation price).

Stage 1: Circa 50km with final destination "Restaurant Der Seehof" at the dam of the lake in Heimbach, (www.derseehof.eu) parking at the large public car park, (paid parking, in the participation price included). Please be aware of interested people and oldtimer lovers. At the restaurant you can enjoy an extensive break of about 12:00-15:00. Lunch, coffee and pastries are available in the self-service restaurant (by coupons, included in the participation price, drinks for your own account) and can be enjoyed whenever you want. Seats are both indoors and outdoors on the large terrace above the lake. A short walk is possible here.

Stage 2: Circa 50km to the destination Monschau. At approx. 17:00 we end the ride on a large parking lot of a supermarket. We say goodbye with a small farewell gift to all registered participants. Several participants will drive home, who stays in Monschau, can visit the old town of Monschau and spend the evening in smaller groups.

General:

There are many hotels and guesthouses in Monschau in different price ranges. The Room reservation is made by the participants themselves and is for their own account.

The original scheme had to be changed due to surprisingly high participation, Monschau is a car restricted city and you can not go anywhere in large numbers or find a parking spot. A trip to the city along with such a large group does not make much sense, but you are free to visit:

- Monschau, walk through the historic old town.
- "Glashütte Monschau" with Glass Works and shop (free entrance) www.glashuettemonschau.com
- Museum "Rotes Haus Monschau" (Access €5,-) www.rotes-haus-monschau.lvr.de
- Mustard Mill Monschau (free) www.senfmuehle.de
- Christmas House Monschau (free) www.weihnachtshaus-monschau.de
- Exhibition in "Kuk, Kunst-und Kulturzentrum" (free) www.kuk-monschau.de
